If the room is required for more time, a \$100/hour charge will be applied. There are additional private and semi-private areas for breakout sessions. Please discuss rates with a manager.

PRIVATE BOARD ROOM: This room, located on the second floor, is great for a working business lunch or a smaller social gathering. This room is setup like a large board room with modern finishes. The capacity of this room is 20 people. This room comes equipped with a 70" TV. There is a \$100 room fee. There is a minimum spending requirement to book this room of \$400 (before taxes and gratuity). If you feel that you cannot meet the minimum spending, then a room charge may apply. The room reservation is typically for 4 hours. If the room is required for more time, a \$50/hour charge will be applied.

SEMI-PRIVATE MEZZANINE AREA: This area can accommodate up to 60 people comfortably, but can accommodate more depending on the configuration. There is a \$100 area fee and a minimum spending requirement of \$600 (before taxes and gratuity) to book either of these areas.
